Breeding Fee - \$750, payable to Lester Ranch.
Booking Fee - \$250 (included in breeding fee)
Method of Breeding: Goodell Veterinary Clinic _____ Transported Semen _____ Semen Pickup _____
Mare Status: Maiden _____ Barren _____ In Foal _____ Foal at side _____ Date foaled _____
Last Breeding Date _____ bred to (stallion) _____

TERMS AND CONDITIONS OF BREEDING CONTRACT

This agreement is made between Lester Ranch (hereinafter referred to as the stallion owner), and the owner of the mare described above and is subject to the following terms and conditions.

1. A \$250 non-refundable booking fee is due and payable upon execution of this agreement. Booking fee is included in the breeding fee. For shipped semen contracts - the balance of the breeding fee is due prior to ordering semen. For breeding at Goodell Veterinary Clinic - the balance of the breeding fee is due and payable before mare departs from the clinic.
2. Breeders certificate will be issued when all fees are paid in full and stallion owner is notified of a live foal. Only one breeders certificate will be issued per paid breeding fee.
3. In the event the above mare fails to produce a live foal from the breeding privilege granted herein, mare owner may rebreed the mare (or a substitute mare mutually agreed upon by mare and stallion owners) during the following breeding season only. A live foal is defined as a foal that stands alone, nurses and lives for 24 hours. If the foal is born dead, or dies within 24 hours, this guarantee applies only if the mare owner (A) notifies the stallion owner within 72 hours after the time the mare did not produce a live foal, and (B) within 10 days after the mare owners notice, the mare owner provides the stallion owner with a statement from a licensed veterinarian substantiating the failure of the mare to produce a live foal. A collection fee is due on all rebreeds. Breeding fee will not be refunded.
4. If the mare owner fails to contact the stallion owner for a rebreed the year immediately following, then any and all fees paid shall be forfeited, the right to a rebreed is cancelled and this contract is thereby terminated.
5. Mare owner may not assign this breeding contract or substitute any other mare under this agreement without the prior written consent of stallion owner. Any attempted assignment without prior consent of stallion owner will, at the option of stallion owner, terminate this agreement and release stallion owner from all obligations hereunder.
6. It is understood that if the above stallion dies or becomes unfit for service, this contract shall become null and void and the breeding fee less the booking fee shall be refunded to the mare owner.
7. Embryo transfers: Mare owner agrees to notify stallion owner that this is an embryo transfer breeding. In the event multiple viable embryos are produced from a single flush, mare owner agrees to pay an additional breeding fee for each additional live foal.
8. By signing this contract, mare owner certifies that he/she is sole owner of above mentioned mare, or has authority to enter into this contract on behalf of the owner.
9. A photocopy of mare's registration papers, both front and back, must be furnished with this contract.
10. The undersigned agrees that the stallion owner, Goodell Veterinary Clinic and its staff will not be responsible for accident, injury, sickness, or death to the mare/foal whether from fire, flood, theft, act of God, or negligence by the stallion owner, Goodell Veterinary Clinic or its staff. The undersigned agrees to and shall indemnify and hold harmless the stallion owner, Goodell Veterinary Clinic and its staff from and against any and all claims, losses, damages, causes of actions, suits and liability of any kind including expenses of litigation, court costs, and attorney fees, for injury to, or the death of the mare/foal, or for any damage to the mare/foal arising out of, or in connection with, the services performed by the stallion owner, Goodell Veterinary Clinic and its staff under this contract, regardless of whether such injuries, death or damages are caused in whole or in part out of negligence of the stallion owner, Goodell Veterinary Clinic and its staff.

Please sign below, enclose booking fee, a copy of mare's registration papers and return to Lester Ranch.

At Clinic Breeding Addendum

1. Goodell Veterinary Clinic will exercise best judgement in care and supervision of the mare/foal. The attending veterinarian will examine the mare for normal breeding conditions and will administer medical care as deemed necessary for the health and safety of the mare/foal. The mare owner hereby consents to all medical care administered to the mare by the stallion owner's veterinarian. The mare owner will pay all veterinarian and farrier charges. All expenses shall be paid prior to the mare departing Goodell Veterinary Clinic.
2. In addition to mare related expenses there will be a \$200 collection fee, payable to Goodell Veterinary Clinic, each time a mare is required to be bred.
3. The mare shall be in a healthy and sound breeding condition: free from infections, contagious or transmittable diseases. A current Coggins test, copy of registration papers (both sides), veterinarian health certificate, plus a health, worming and vaccination record is required. If the mare owner fails to provide any of the above documents, the mare owner hereby consents to the stallion owner's veterinarian examining and/or testing the mare as may be necessary to complete the above tests, certification and other records. However, the stallion manager reserves the right to refuse any mare, which is (1) not in proper condition (2) which does not have all the records, tests, and registration documents as required herein.
4. Goodell Veterinary Clinic breeding staff agrees to diligently try to settle the owner's mare. The mare owner agrees to give Goodell Veterinary Clinic ample opportunity to settle the mare, having bred her through at least 2 heat cycles. If mare leaves the clinic before being pregnancy checked, mare owner is required to have mare ultrasounded at 15 and 30 days after last breeding date. If for any reason the mare does not settle, mare owner will hold Goodell Veterinary Clinic and Lester Ranch harmless.
5. Mare owner agrees to vaccinate mare against rhinopneumonitis on at least the 5th, 7th and 9th month of pregnancy.
6. Semen Pickup - A collection fee of \$325 will be charged for each dose of semen for those mare owners who elect to pick semen up at Goodell Veterinary Clinic. A suitable container for semen pickup is required or mare owner will be charged \$30 for a shipping container.

1. Mare owner agrees that only the mare designated on this contract will be inseminated with the shipped semen. Any attempt to breed more than one mare with a shipment will void this contract.

2. Mare owner agrees to pay the following charges pertinent to the transport of cooled semen.

Normal shipping fees per dose- \$325

Canadian shipments - Call for pricing.

Shipment includes shipping container, overnight shipping fees, collection fee on scheduled collection days.

There will be no credit given on returned shipping boxes.

3. Goodell Veterinary Clinic only assumes responsibility to ship semen in viable condition, and shall not be held liable for contamination of semen during or after shipment, loss of viability, or any costs arising from shipments delayed, damaged, or lost in transit. Goodell Veterinary Clinic does not guarantee the fertility of the stallion, but agrees to process each ejaculate to optimize 24-hour post cool motility, and subsequent fertility. Every effort should be made to inseminate the mare within 24 hours after collection from the stallion.

4. Mare owner agrees to have mare palpated on the next collection day to confirm ovulation. If mare has not ovulated another dose of semen must be ordered.

5. Mare owner agrees to have mare ultrasounded 14-17 days after the last date of insemination and notify Goodell Veterinary Clinic of pregnancy status.

6. Mare owner agrees to vaccinate mare against rhinopneumonitis on at least the 5th, 7th, and 9th month of pregnancy.
