2024 Breeding Contract for OFFERS ARE CHEAP

Standing at: Goodell Veterinary Clinic

7509 South Sixth St., Klamath Falls, OR 97603 541-882-4556

I hereby agree on (date) _____ to breed the mare _____,
registration # _____ to **Offers Are Cheap** (reg. #5559762), for the 2024 breeding season.

I understand the breeding fee for 2024 is \$1,000. The balance of \$1,000 shall be payable a minimum of fifteen (15) days before breeding. Breeding fee is payable to Pacific Ag & Equine.

___ I plan to use cooled shipped semen. There will be a charge of \$350 per shipment for cooled semen. I understand that the FedEx Priority Overnight expense is included in this fee. I also understand that I am responsible for returning the shipping container right away at the most economical shipping rate and that I am responsible for this expense. Shipped semen fees are to be paid directly to Goodell Veterinary Clinic.

Collection and shipping days are Monday, Wednesday and Friday (other days possible upon request). Semen will be sent FedEx Priority Overnight. Request for cooled transported semen must be made 24 hours prior to shipping time if at all possible. Call Goodell Veterinary Clinic to place the order. ___ I intend to take my mare to Goodell Veterinary Clinic in Klamath Falls and understand in addition to the mare related expenses I am responsible for the chute fee in the amount of \$200.

A LIVE FOAL GUARANTEE will only apply as follows:

- A) A live foal is described as a new born foal which stands and nurses without assistance. Should the mare not produce a live foal from this breeding, a rebreed will be honored the following year with a rebreed service charge of \$250. Pacific Ag & Equine may require the rebreeding to be performed at the stallion station rather than through cooled semen.
- B) For mares that DO NOT CONCEIVE using cooled semen, a rebreed will be honored the following breeding season with a rebreed. Pacific Ag & Equine may require the rebreed to be performed at the stallion station rather than through cooled semen. Goodell Veterinary Clinic agrees to ship cooled semen as described above. If a mare fails to settle for any reason, the mare owner will hold Pacific Ag & Equine and Goodell Veterinary Clinic harmless.

A "Breeder's Certificate" will be issued when the stallion owner has been notified that a live foal has been produced and all stallion fees and other expenses have been paid in full.

This contract shall be binding upon the parties hereto, upon execution hereof, and the same may not be altered, transferred to another party or amended, except by written mutual consent of the parties hereto.
